HIGH JUMP

Go for Gold!

All the realism and excitement of a World-wide Tournament without the sweat and pain.

Being an Athletic Champion requires dedication, determination and concentration.

Stunning graphics and realistic movements powered by NAOMI are the result of extensive research of the individual events during the development of the game.

Select one of the individual Athletes, each with different abilities and strengths, then compete in 6 different events for the highest total score. Pass the qualification level for each event to go on to the next event.

Features:

- Choice of 6 Track and Field events including 100m Dash, Long Jump, Shot Put, High Jump 110m Hurdles, Javelin
- Choice of 10 different Athletes from different countries, each with their own individual characteristics
- Slow Motion Action Replay
- Two player action keeps the competition HOT!!!
- Simple joystick and three button operation
