Fans around the world can't get enough of *Star Wars: Episode I The Phantom Menace*.

The player takes on the role of a Podracer, reaching speeds of 900 kph in a battle for Podracer supremacy!

All the realism and in-your-face action is here in the ultimate arcade game experience.

UP TO 4 PLAYERS CAN JOIN IN ON THE ACTION!

There are 4 types of Podracers to choose from. Players aiming for the 'high score' will be back for more, for sure! An Internet Ranking System is planned.

The 4 courses are designed to suit players of any ability: Beginner/Intermediate/Advanced/Expert.

Original courses have been constructed to feed the *Star Wars* fever, but the course from the movie, the BOONTA CLASSIC, has also been replicated in stunning detail, right down to the narrow canyons and burning deserts!

*SCINTILLATING 3D-CGS WITH THUNDERING SOUND TO BRING THE HOUSE DOWN!

Utilizing the expertise of Lucasfilm's production unit, characters and machines are reproduced in perfect detail. The rumble and hum of the race engines will send shivers down players' spines as the BGM completes the total immersion in the *Star Wars* Podracer world.
