## Rad Mobile

**AVID SPEED FANS, OVERCOME ADVERSE WEATHER  
& TERRAIN ..... GO, GO, GO!!**

A broad array of scenery whizzes past you; rain, fog  
lightening; all ultra - realistically depicted!!

The RAD MOBILE, is an action - packed American  
Transcontinental race game, which abounds with  
neck - to - neck relentless competition against your opponents,  
colorful visual graphics of a police car pursuing you, vehicles  
running in the opposite direction, etc. Additionally, as the  
setting changes from the city to the suburbs, there will also  
be time and weather variations, with authentic night, rain, fog,  
and various other scenes never before seen in conventional  
software, being faithfully reproduced.

- ◆ "SYSTEM 32," THE RESULT OF A NEW AMUSEMENT  
TECHNOLOGY!

This system utilizes a new generation 32 - bit CPU that  
allows you to enjoy extremely true - to - life graphics.

EXCITING, IMPRESSIVE, REVOLUTIONARY ...  
EVEN THE FRONT WINDOW SCENES!!
